

Series 2000 Trawl Doors

Series 2000 trawl doors are a high aspect ratio midwater trawl door. The doors are very stable and efficient in shallow or deep water. The high quality construction provides for a long lasting door that is free from constant maintenance. Also available in V-style Series 2000 trawl doors.

Features:

- Greater spread than other high aspect trawl doors.
- Doors remain stable during turns.
- Alloy steel construction for durability.
- High quality workmanship.
- Reinforced at all critical stress areas.
- Removable shoes for shallow water.
- Multiple backstrap settings to vary pitch and angle of attack.
- Low center of gravity for maximum stability.

Series 2000 Trawl Doors

Door Size	Estimated Range	Weight in Air		Dimensions	
	hp	lbs	kg	ft	mm
